

Souderton Intramural Soccer League

A Division of **Souderton Area Soccer Association**

Greetings!

After a very rainy 2011 season in which many games were cancelled, we are looking forward to the 2012 intramural soccer season with the hope that last year will not repeat itself! Soccer Day and SISL'R Slam tournaments had to be postponed to later dates greatly adding to our operating expenses for the 2011 season.

Your company or organization can help us meet operating expenses and promote the sport of soccer while helping the youth of our community by sponsoring a team. The cost for sponsorship is \$175.00 per team. This helps to defray the cost of uniforms, nets, goals, balls, field maintenance, and other items that are needed to run the league. Sponsorship provides you with two forms of advertisement: your company's name will be printed on the front of your team's shirts and your website or contact number will be listed on the Sponsor page of our website. You will also receive a team plaque at the end of our season. Our sponsors play a major part in keeping the youth of our community involved in a healthy and positive activity for the entire summer. Since **SISL** is a legal nonprofit 501(c)(3) association, all donations are tax deductible.

Why should you help promote youth soccer? Kids who play sports tend to be healthier, do better in school, and have better social skills than kids who don't play sports. Kids who play sports learn teamwork and leadership skills. They develop discipline by setting goals and working hard to achieve them. They also learn that one doesn't always win but should still put forth effort. Soccer allows kids to have fun while learning many life skills.

If you have any questions regarding sponsorship or **SISL**, please feel free to visit our website www.soudertonareasoccer.com. You may call us at (215) 721-7475 or email us at soudertonareasoccer@yahoo.com. **SISL** sincerely appreciates your contribution and your show of support to our community's youth. We look forward to a successful and drier 2012 season.

Sincerely,

Jim Hunsberger
President
